We're Proven

Providing insurance solutions
nationwide for over 15,000
individual professional roofers.

A Specialized Agency

As one of the only national
insurance agencies catering to
the roofing industry, you can be
confident that you are in safe
hands. Let us help you manage
one of the most critical parts of
your business.

Loss Control & Prevention

Helping you to stay ahead of potential "on-site"
accidents through comprehensive seminars on:

- Fall protection programs
- Employee safety programs
- "Torch applied" roofing safety programs

Helping you educate your employees that
safety is job #1...

- Working with your company to develop or
enhance a comprehensive safety program
that fits the needs of your business.

Helping you with the complexities and challenges
of your "working" environment...

- A "loss control" team to assist you in meeting
state and federal OSHA compliance
requirements.
- An insurance agency you can lean on in the
event of a catastrophic loss.

**Our safety representatives will be glad to meet
with your team at your next "crew" meeting.**

A Complete & Comprehensive Package

Through our comprehensive "carrier" network, we can
even offer you a "blend" of coverage that meets the
needs of your business.

Protecting Your Investment & Your Name

When requested, specialized attorneys are available to
help identify key issues to insure proper coverage is
considered for every project and to help you minimize
your risks.

In-depth Educational Seminars

Our experienced team can provide you with a
variety of tailored programs including:

- "Return-to-work" programs
- Emergency preparedness
- Auto fleet safety programs
- Safety audits

Personalized Product Needs

Programs tailored to your unique insurance
needs as well as an in-depth analysis of
your annual insurance requirements.
